

YOUR COMPANY HAS MADE A NEW FRIEND

The name is Goodwings, and together we decided to do something different. We decided to change the way of the world.

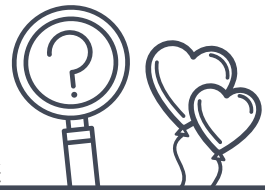

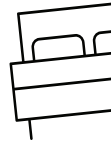

AND WHO IS GOODWINGS?

We are an online hotel booking portal which gives you access to 250,000 hotels around the world. The prices are the same as with other online providers you know and we deliver the service you need. So what's new, you ask?

NOW HERE'S THE BIG DIFFERENCE...

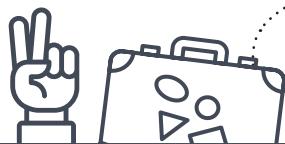

We refuse to spend a single dime on paid marketing. Instead we cooperate with several NGOs supporting the UN Sustainable Development Goals for people, planet and prosperity. This means that every time we earn \$2 from your bookings, you get to donate \$1 to efforts to end poverty and hunger, protect the environment, improve public health and much more - at no extra cost.

SO WHAT DO YOU DO..?

Maybe you have someone who makes your bookings for you (lucky you). If not, you will receive an email with your login - check your inbox, maybe it's already there?

Log in at goodwings.com, find the perfect hotel, book your stay, and choose the NGO or project you want to support.

TOGETHER WE CAN MOVE THE WORLD

We are excited to welcome you on board and look forward to share our journey towards a brighter and more sustainable future. Together we can move the world - stay by stay.

Psst... You can also use Goodwings when travelling with family and friends
