Terms and conditions ("T&C")

1. Effective Date of the membership

- 1.1. The effective date of the agreement (membership) is the date on which an individual or an organisation registers as an IFHP member, either online or by submitting a registration form, and consents to these T&Cs in writing.
- 1.2. When registering for corporate membership, the organisation must include the name and title of its legal representative in the online registration or have the legal representative sign the registration form. The registration must be accompanied by valid documentation proving the identity of the legal representative.
- 1.3. The details of these T&Cs are available on the IFHP website at www.ifhp.org.
- 1.4. The membership can be activated at any time during the year.

2. Rights and obligations

- 2.1. IFHP offers the membership benefits (according to membership category) as published on the website.
- 2.2. IFHP may change its membership benefits and fees at any time.
- 2.3. Each member will be notified individually in writing by IFHP, if membership benefits or fees are changed.
- 2.4. By signing this agreement or confirming to agree on the IFHP website, the member agrees to being informed digitally or by print about activities of IFHP, unless the member specifically requests IFHP not to do so.
- 2.5. Furthermore, the member agrees on IFHP to register and use the member's personal information to the extent necessary according to relevant legislation in force from time to time.
- 2.6. The membership is personal, and deliverables are not transferable.
- 2.7. Corporate membership is carried by the legal representative and the deliverables (such as discounts) cannot be transferred to other individuals outside the organisation of the corporate member.
- 2.8. The corporate member holds two voting rights.

3. Payment of the membership fees

- 4.1. The cancellation of this agreement can take place only by written notice forwarded by letter either by IFHP or by the member.
- 4.2. The notice of cancellation must have reached either party before 1 December in the year prior to the calendar year in which membership would have continued automatically.
- 4.3. Otherwise, membership will automatically be renewed, and this agreement, including these T&Cs, will remain effective for the next calendar year.
- 4.4. The agreement terminates at the end of a calendar year on the death of an individual member or the liquidation of a corporate member's organization.

- 5.2. In case of discrepancy the articles of association will supersede these T&C's.
